

Orono U13 LL - Leafs defeat Leafs

Thursday, March 31 – It was an all-Orono battle at the local rink with the T1 and T3 Leafs facing off. The T3 club grabbed an early lead when Weston Vachon connected with helpers to Olivia McAlister and Logan Burns. Nolan Burrows' solo effort brought the T1 Leafs even before the end of the first stanza.

Mac Rowan broke the stalemate to Orono T3's favour after four min-

utes of play in the second frame. The T3 Leafs clung to their one goal lead through the balance of the middle period.

Half a minute into the final session, the T1 Leafs tied it up on a goal from Owen Heeney (assist to Leland Cameron). The teams battled through an eight-minute scoreless stretch before Orono T1 found the winner when Sawyer Stephenson's shot bulged the twine with 3:27 remaining.

Orono U13 T1 Leafs double up on Thunder T4

Sunday, April 3 – If three goals in a game by a player is a hat-trick, what do you call a four goal night? After yet another hat-trick plus outburst, Nolan Burrows is sending pundits running for their dictionaries in search of a new definition for offensive prowess. With Burrows pacing the offense, the Orono T1 Leafs put up a convincing 8-4 win over the Clarington T4 Thunder.

Two goals from Nolan Burrows in the first minute of play set the tone for the game. Leland Cameron added to the Leaf deluge before the second minute was completed. Clarington tallied with about three minutes remaining in the opener. The Leafs responded with fury, adding three to their total in the final two min-

utes of the first frame. The late period trio came from Burrows, who struck twice, and Owen Lafrance.

After their first period explosion, the Leafs went scoreless in the middle frame while Clarington edged closer with a pair. The Thunder struck early in the third session to close the gap to 6-4. Seeing the Thunder closing the gap, Orono's offence came back to life. Goals from Leland Cameron, his second of the game, and Owen Heeney put the game out of reach with eight minutes to play.

Goal scorers need support. Chalking up assists in the Leaf win were Sawyer Stephenson with three, Noah Buckner, Leland Cameron and Simon Black.
