**Close game favours
Woodville over Oro-
no U15**

Sunday, Dec 4 – Playing at home, the Orono U15 Leafs battled to the end in this defensive classic but fell 2-1 to the Woodville Hurricanes.

After a scoreless first period, the red light was finally tested two and half minutes into the middle frame when Orono's Owen Smith (assists to Peyton Dawson) gave the Leafs the first imprint on the scoresheet. Woodville then scored two quick goals to grab a 2-1 lead with almost eleven minutes still to play in the second period. The rivals tested each other through the rest of the game but found no further scoring success.

The Leaf goal was guarded by Maxx Brady who put in another solid outing, holding the Woodville offence to only two goals. Brady is sporting a GAA of 2.73 in eleven games.
